DAIRY INDUSTRY EXPO

AN ABSOLUTE EVENT FOR DAIRY INDUSTRY

The 8th edition of the Dairy Industry Expo serves as an annual exposition, providing a comprehensive platform for stakeholders within the dairy industry. It showcases the complete value chain, spanning from farming to processing, with a dedicated focus on ensuring Safe Milk Production.

Event USPs

- Showcase cutting-edge technologies and innovations in dairy farming, processing, and products
- Facilitate networking opportunities for dairy producers, suppliers, manufacturers, and researchers
- Offer educational seminars, workshops, and presentations on industry trends, best practices, and regulatory updates
- Foster collaborations and partnerships among industry players to drive growth and sustainability
- Provide a forum for discussing challenges, solutions, and opportunities facing the dairy sector
- Showcase sustainability initiatives and advancements in animal welfare, environmental stewardship, and resource management within the dairy industry

- Supply Chain Solution Professionals
- Traders, Distributors & Retailers
- Feed Industry Professionals
- Policy Makers & Administration
- Veterinarians & Consultants
- Other Dairy Professionals

TESTIMONIALS

Our aim of participation at the DIEX23 was to create brand awareness & be a knowledge - sharing partner for dairy

entities in microbiological food safety. We had good exposure in terms of our branding and participation. We look forward to the upcoming edition of the DIEX24.

Shubhapriya Ghosh
bioMérieux

This event provided us an opportunity to assess and explore the dairy segment and to showcase our products while sharing our latest

Innovation and technological advancements to offer our customers.

Vasanthi Rajamannar
Mettler-Toledo

This exhibition has been great, we didn't expect foot fall to be so high and quality of the visitors was also good, excellent support from the

organizers.

It was well worth the investment.
